IN THE DRAWINGS:

Please substitute attached sheet of drawings, which was filed in the

parent application to correct drafting informalities in the originally filed

drawings, and accepted in the Notice of Allowance therein.

Please revise the drawing discussed above by changing "69°" to "75°"—and

"75°" to "69°" on the lower horizontal arm 42, as illustrated in the attached

sketch. A second substitute sheet of drawings incorporating this change is also

attached herewith.
